

HORSESHOE SCOUT RESERVATION RULES AND REGULATIONS

UNIT LEADERS: Please review the information below with your unit prior to your weekend event.

- **CHECK-IN:** Check In begins at 6:00 pm on Friday. Arriving units must check in with the Ranger or the Campmaster BEFORE going to your cabin/campsite. Please contact the Ranger (717-548-3352) if your check-in time will differ from what had been indicated on your permit.
- Turn in your unit roster and Local Tour Permit (out of council units only) to the Ranger or Campmaster.
- Inspect your facility for previous damage before moving in. Notify the Campmaster of any items that need to be repaired or replaced.
- At least one representative is required to attend the "Leader Meeting" on Friday evening in the Campmaster's Lodge for review of camp policy, emergency procedures, etc.
- Two (2) adult leaders (minimum 21 yrs. Of age) be present and remain with the unit at all times during their stay at the Horseshoe Scout Reservation. Units that fail to maintain the minimum number of adult leaders may not be permitted to remain in camp.
- **FIREWOOD DEPOSIT:** All units using cabins are required to leave a \$50 firewood deposit with the Ranger or campmaster. This deposit will be returned to the unit upon check-out after verification that an equal amount of any firewood used by the group during the weekend has been replaced.
- **CHAINSAWS:** The use of chainsaws is restricted to persons who have passed the HSR Chainsaw Safety program.
- **GENERAL:** Camping at the Horseshoe Scout Reservation is a "privilege".... Not a right.
- Low Impact, No Trace camping policies are in effect. Do not molest, disturb, or injure the wildlife or their nesting places and habitat. HSR is their home . . . WE are the visitors.
- All vehicles must be parked in designated areas ONLY. *Vehicles may unload at the closest access point to their cabin/site but must then be returned to a DESIGNATED PARKING AREA (the roads must remain clear and open in the event of an emergency).*
- The beds of pick up trucks are for hauling equipment only. No riders are permitted in the back. All passengers MUST be in the cab. One passenger per seat belt.
- Electrical, propane or kerosene space heaters are not permitted in camp buildings.
- Health and safety regulations do not allow pets in camp.
- Alcoholic beverages, illegal drugs and all fireworks are absolutely prohibited.
- Report all injuries to Ranger or campmaster.
- Report any facility maintenance needs to Ranger or campmaster.
- Never leave the Reservation without notifying the campmaster or Ranger.
- NEVER leave fires unattended!
- "UN-Scouting like" conduct or behavior will not be tolerated. Units may forfeit its camping privilege.
- Units will be responsible for any damage they may have caused during their stay.
- **EQUIPMENT:** Participating campers must provide their own sleeping, cooking, dining and program equipment. Bow saws, splitting mauls, shovels and rakes can be signed out from the campmaster.
- **CHECK-OUT:** Departure time: no later than 12:00 noon on Sunday.
- Leave your cabin/campsite cleaner than you found it. Police the perimeter area outside of your cabin or campsite for trash and debris. Place all trash in plastic bags and dispose of as directed by the campmaster or Ranger. Replenish firewood for next week's troop. Failure to do so will result in the forfeiture of the unit's \$50.00 deposit.
- When ready to depart turn in you "check-out" list to the campmaster or Ranger. ***Do not leave camp without the Campmaster or Ranger review.***
